

A training seminar was held at ISRS

On February 29, a training seminar was held at the Institute for Strategic and Regional Studies under the President of the Republic of Uzbekistan (ISRS) on the preparation of analytical documents in the field of economics with the participation of researchers from the Center for Economic Research and Reforms under the Administration of the President of the Republic of Uzbekistan (CERR) and the Institute for Macroeconomic and Regional Studies under the Cabinet of Ministers of the Republic of Uzbekistan (IMRS).

The attendees were familiarized with modern methods of analysis and forecasting used in the study of current economic trends.

Special attention was paid to the forms of studying public opinion on the most topical issues, as well as mechanisms of forecasting various economic processes in the life of the country.
